Limitations:

1. Scholarship funds are to be used during the **2025-2026** academic year for an accredited technical certification, associate, bachelor, master, specialist or doctoral program (full time or part time).
2. All funds received shall be applied to tuition and/or associated university fees/costs administered by an accredited college or university. These costs may include books, fees, room or board, but may not be used to cover fees from previous academic years, penalty fees, or disenrollment fees. ***Funds will be paid directly through the finance/bursar's office of the accredited school of the student's choice.*** Accreditation must be recognized by CHEA, HLC or another authorized body recognized by the US Department of Education.
3. Payment of scholarship awards will be made directly to the selected school. The recipient must provide the Scholarship Committee with the name and address of the school the recipient will attend, verification of enrollment and their Student ID number to the scholarship committee no later than **October 1, 2025** or the award will be considered unclaimed.
4. The scholarship award, when combined with other scholarships, must not exceed the cost of tuition, fees, books, and room and board for the academic year. Any remaining funds at the end of the school year must be returned to the HSC Scholarship & Charitable account.
5. Any applicant awarded an HSC Scholarship that intends to attend a fully paid military service academy or intends to use another fully paid scholarship, must notify the HSC Scholarship Committee. The HSC Scholarship will then be awarded to an alternate recipient or returned to the HSC Scholarship & Charitable account. In addition, if a student intends to use the full GI bill for this year, the scholarship committee will take that into consideration in awarding a scholarship. Applicant is responsible to notify the scholarship committee of any above considerations.
6. *Recipients who accept a scholarship from another military spouse club become ineligible for the HSC scholarship and must notify the HSC Scholarship Committee immediately and forfeit the award.* The HSC scholarship will, in turn, be awarded to an alternate scholarship recipient or returned to the HSC Scholarship & Charitable account.
7. Applicant may apply for only one type of HSC Scholarship per year. *(continued on page 2)*
